

Expert Conference

FUTURE-PACKAGING – Packaging Technologies for Tomorrow

7. & 8. March 2012, Wiener Neustadt

AIP – Active and Intelligent Packaging

Wednesday, 07.03.2012

Congress Topics at a Glance:

CORNET AIP Research Highlights Put into Practice

Ofi Österreichisches Forschungsinstitut für Chemie und Technik, Wiener Neustadt/Vienna

How to Quantify Nano-Particles within Air?

Mondi AG, Amstetten

Legal Situation

Ministry for Health, Vienna

Nothing for Achromates

Attophotonics Biosciences GmbH, Wiener Neustadt

The Importance of Packaging-Recycling

ARA Altstoff Recycling Austria AG, Vienna

O₂-Absorber

Fraunhofer-Institut für Verfahrenstechnik und Verpackung, Freising, Germany

BIOPLASTIK – Increase has Started

Thursday, 08.03.2012

Congress Topics at a Glance:

CORNET Bio-Packing – Conclusions

Ofi Österreichisches Forschungsinstitut für Chemie und Technik, Wiener Neustadt/Vienna

Production of New Bioplastics with Approved Engineering

NaKu e.U., Wiener Neustadt

Bioplastics – Chances and Limits

Kunststoff-Cluster, St. Pölten

Research Promotion Schemes Today – Short Briefing

FFG Austrian Research Promotion Agency, Vienna

Europe's Sugar Beets are Better than America's Corn

CELABOR SCLR, Herve, Belgium

Bio-Raw Materials – Facts Behind

University of Natural Resources and Life Sciences / Inst. of Wood Science and Technology, Vienna

CO₂: Raw Material with Future?

EVN AG – Strategic Business Unit Generation, Maria Enzersdorf
