ORGANIC

Food & Non-Food
ORGANIC
Abundance in Lower Austria

“Austria is no. 1 in Europe for organic farming. In no other country are so many organic farms, measured in terms of surface area. Over 18% of Austria’s agricultural holdings are organic farms, and 21% of its agricultural land is farmed organically.”

Agrarmarkt Austria (2015)

ecoplus International - your partner in Lower Austria

coplus International is a non-profit organization supporting businesses in Lower Austria with their export activities – in Czech Republic, Hungary, Poland, Romania, Russia, Slovakia, Turkey and beyond.

Are you looking for a new business partner in Lower Austria?
Or do you seek innovative products of premium quality?

coplus International has the right connections for you. Lower Austria has much to offer especially in the domain of (organic) food. In addition to the services of coplus International, also the Food Cluster of Lower Austria offers advice concerning cooperation projects.
